Dear All,

Attached is the latest version of the AOC. The track changes compare this version with the version EPA sent the group in July 2015, so you can see which of your comments we have incorporated. I am (still) waiting for an answer on the waiver of claims against the US issue from the Dept of Justice, so I left those paragraphs blank. I know this is a deal breaker for some of you and I really hope to have a resolution on this issue soon. I wanted to send you the AOC as it is now so that you can review it with your clients and confirm that they will accept the rest of the terms of the document.

I will be in touch soon,  
Lauren
